Full Day Program, 8:30 am — 4:00 pm

Academic Mornings: Through a daily practice of reading, comprehension, writing, math computation & analysis, students reinforce and improve their skills. Phyl's Academic Mornings buffer summer learning loss and help students stay motivated and ready for the upcoming school year.

Adventurers Afternoon: Afternoons filled with STEAM activities like exciting science experiments, art, crafts, engineering, and technology projects. Creativity blossoms in our maker space studio and children experience music, dance, and sports skills in our gym and outdoor spaces. With cooking projects, movie days, and much more, there are many joyful opportunities to socialize, learn new things and explore.

In our full day **Adventurers** program students experience the best of all worlds with robust academics and various fun activities that keep them actively engaged both mentally and physically.
